## I've Been

*I've been lookin'  
So GOOD lookin'  
Thrumming  
Up and coming*

*I've been kickin'  
Playing the lick-in'  
I've been willing  
I've BEEN billing*

*Memorizing  
Philosophizing  
Investigating  
Inspectigating*

*I've BEEN chasing  
Phasing and tracing  
Exponating  
And concentrating*

*I've been drinkin'  
Blinkin'n'winkin'  
Been to the shrink-in'  
I've been thinkin'*

*I've been waiting  
Comin'to late-ing  
Expectating  
Penetrating*

*Speculating  
Organizing  
Copulating  
Communicating*

*I've been wishing  
Swishing and fishing  
I've been hunting  
Doing the fun thing*

———

*I've been trippin'  
Slippin'and drippin  
Existing  
Shouting and twisting*

*I've been cunning  
Sunning and stunning  
Becoming  
The unbecoming*

*Celebrating  
Degenerating  
Separating  
And decorating*

*I've been going  
Without knowing  
I've been sinkin'  
And overthinkin'*
