My Aim Is Love And Joy

*Believer,
what do you claim
what is your need
to explain
ramblin all your days
like a train wreck in chains*

*Dreamer,
what have you done
what is lost
when you're gone
your soul is driftin like a grain
of sand in the lane*

*I wake up
in the morning
I see shadows are fallin
My window
it is open
I hear words that are spoken
Come closer for disclosure
My aim is love and joy*

*Lover,
let me know
why can't you leave
at one go
Swirling like a bee
with a death wish on my knee*

*Power
to the rascals
waifs and strays
for the castle
Chanting for the demons
that swelter in the casket*
