My Little Boy

*My little boy,
With two different colored eyes
I'm watching you wander about
Your unsteady steps
The big smile on your face
Riding your own winning race*

*- Looking at a life so pure
Makes me know for sure
Angels walk the earth
Tender, yet so fearless
You are finding your way
I can't find words to say
How much and how deeply I love you
How happy you make me feel
How beautiful life seems to me
When I see it through your eyes
I promise I'll always be there
For you*

*Your chuckle and chatter make your golden curls
Dance around your head of joy
Beauty and power and spirit and strength
Gathered in one little boy*

*- I've been here before, it's my second time around
And I'm high as a kite being proud
Sometimes I am wondering what's coming for you
Hopes and dreams come true
If you are down and low
If you just had a row
If you're in some kind of pain
And you can't stand the strain
I promise I'll always be there
For you*

*I don't promise a life without worries
I don't promise a life in the breeze
But I'll help you get into the stride
Baby, I ll be on your side
I promise I'll always be there
For you*
