

STEINAR RAKNES

Space Machine

*I am traveling in time
with my space machine
There are sometimes that
I touch down to earth
I look around and get the feeling that
I'm not really here
That I am watching but I cannot take part*

*I see pictures of myself
in different places that
I never can remember to have been
There are people in the frames that
I do not know
People that I never have seen
And I feel so lonely...
And then I call to you
Cuz I remember you
Cuz we have touched the skies
And you are in my eyes*

*Now I am traveling again
with my space machine
I think this time I will stay inside
I like that I don't feel like
I 'm a stranger here
Before I go I will say goodbye
And then I call to you
Cuz I remember you
Cuz we have touched the skies
And you are in my eyes*
